

Per Marius Føyner

FRONTEND DEVELOPER
UI / UX DESIGNER

Bergen, Norway | marius28@live.no | p-marius.no | github.com/PMariusf

ABOUT ME

Frontend developer with a passion for modern web development, UI/UX design, creative problem-solving and digital experiences. Experienced with React, Next.js, TypeScript, Tailwind CSS, Supabase, AI-assisted development, deployment workflows and maintaining IT systems.

I enjoy creating visually engaging websites, improving user experiences, rebuilding legacy solutions into modern applications, and combining design with technology to create meaningful digital products.
